Drivers who regularly travel eastbound on US 33 from places such as Muirfield Village, Plain City and Marysville may want to allow for extra time and patience for their commute starting this weekend. S.R. 161/Riverside Roundabout Enforcement

Senior Public Information Officer [Lindsay Weisenauer](#) from City of Dublin · 13 Sep

The learning curve is over.

Dublin Police have informed me they are doing targeted enforcement at the S.R. 161/Riverside Roundabout this afternoon. They will be looking specifically for failure to yield violations and unsafe lane changes. Drive smartly and safely or risk getting a ticket.

After today's "blitz," enforcement will continue. Be safe!
