Crime Alert: Residential Burglaries

Sarah McQuaide from City of Dublin

20 Jul

Since June 1, the Dublin Police Department has filed 21 burglary reports. Sixteen of those burglary reports involved entry into the residence through an open attached residential garage door.

The vast majority of these burglaries have occurred during the overnight hours, on various days of the week. In one case, possible suspects were seen in the area between 11 p.m. and midnight, but in another ... [View more](#)

Open Garage Door Burglaries

Heinz von Eckartsberg from City of Dublin

22 Jul

You may have heard about a recent uptick in home burglaries involving open garage doors. I'd like to take this opportunity to remind all of you to please close your garage doors, especially at night. This is the easiest type of home burglary to prevent.

Additionally – we have identified two potential suspects. You can view their pictures on our website at: ... [View more](#)

Crime Alert: Residential Burglaries

Since June 1, 2016, the Dublin Police Department has had 21 burglary reports. Sixteen of those burglary reports involved entry into the residence through an open attached residential garage door.

The vast majority of these burglaries have occurred during the overnight hours, on various days of the week. In one case, possible suspects were seen in the area between 11 p.m. and midnight, but in another case the crime occurred between 6:30 and 9:30 a.m.

The Dublin Police strongly urge residents to close their garage doors when their garage is unattended, especially during late evening and overnight hours.

Please keep an eye and ear out for suspicious activity. Call the police immediately if you witness a crime or something suspicious. Only by working together we will continue to make Dublin a safe place to live, visit, and visit.
